

## As part of your healthcare:

Health through Food may share your sensitive information with third parties to support your ongoing healthcare. If we do not receive this consent from you, we will not be able to coordinate your healthcare with that provided by other providers which means the healthcare provided by us may be less effective.

Please tick the appropriate boxes to confirm your consent:

- I consent to my sensitive information being shared with other healthcare providers, whose details I have provided
- I consent to my sensitive information being shared with my GP if appropriate

We may also share your contact information with biochemical testing companies to order tests as part of your healthcare, some of which maybe from outside of the European Union. If we do not receive this consent from you, we will review alternative tests from providers based within the European Union.

Please tick the box to confirm your consent:

- I consent to my contact information being shared with biochemical testing companies outside of the European Union

You can withdraw your consent to the above at any time by emailing [info@healththroughfood.co.uk](mailto:info@healththroughfood.co.uk)

## Marketing and information

Health through Food would like to contact you occasionally by email with promotional offers, information on upcoming events and activities, and newsletters.

Please tick the appropriate box to confirm your consent to be contacted for these purposes:

- I would like to receive regular newsletters
- I would like to receive promotional offers and information on upcoming events and activities

You can withdraw your consent to the above communications at any time by clicking on the unsubscribe link at the bottom of the emails.

## Case Histories

Health through Food seeks to continuously improve our practice through professional development, a key part of which is sharing case histories with our peers through clinical supervision, online forums and discussion groups. Your name, address and contact details will never be shared.

If you are happy for us to use your data for this purpose, please tick the box below to confirm your consent:

- I consent to my data being used for the purpose of professional development:

Health through Food would like to share your case history with peers for educational purposes. This could be through conferences, lectures, online forums, and publishing in medical journals, trade magazines or online professional sites. Your name, address and contact details will never be shared.

I consent to my data being used for educational purposes. Please tick the appropriate box to confirm your consent:
